Good afternoon.

Attached is DIUC's Motion for Extension of Time to File Reply to ORS and POA Responses to DIUC Request for Reparations. The Motion along with a copy of this correspondence will be electronically filed via the Commission DMS.

The current deadline is approaching on Monday, June 28, 2021, and counsel has kindly agreed to this Motion seeking a four-day extension of that deadline to Friday, July 2, 2021.

The parties' cooperation and the Hearing Officer's consideration are very much appreciated.
